Comments:Epcor is gouging the residents of Corte Bella in Sun City West, as well as other subdivisions near here! It is all your fault for letting Anthem pull away from Epcor. We are being charged the difference from when the bill was spread over many thousands more homes. Shame On Most Of You! You know who you are . . . The next time we get to vote will show you we also know who you are.

Comments:Charman Stump and other members of the ACC, I am urging you to vote YES to consolidate the Agua Fria district back to it's original form. Separation of the district has not only caused personal financial hardships to the communities affected but will cause irreparable economic harm to the City of Buckeye and other municipalities. This will be due to higher property values, the loss of new home builds, and a selling off of residential properties. Ultimately, a loss of tax revenue at the very time economic growth is needed. The short-term benefit of lower rates for the Anthem residents is not economically justified by the longer-term harm of the points mentioned above. Should reconsolidation not be achieved, the Citizens of the City of Buckeye will move to legally acquire the utility serving the Verrado Community and bring control of it and it's service to the City.
